PAPER: LCT (ENGLISH)

Date: 05/11/2017

SOLUTIONS

51-56 Read the following passage and answer the question that follow-

Speech is a great blessing but it can also be a great curse, for while it helps us to make our intentions and desires known to our fellows, it can also, if we use it carelessly, make our attitude completely misunderstood. A slip of the tongue, the use of an unsual word, or of an ambiguous word, and so on, may create an enemy where we had hoped to win a friend. Again, different classes of people use different vocabularies, and the ordinary speech of an educated man may strike an uneducated listener as pompous. Unwittingly, we may use a word which bears a different meaning to our listener from what it does to men of our own class. Thus speech is not a gift to use lightly wthout thought, but one which demends careful handling. Only a fool will express himself alike to all kinds and conditions of men.
